Subject: VOTE NO on proposed redistricting map

I am writing to let you know that I am strongly opposed to the proposed redistricting map which divides the Northland along Barry Rd.

This concept is a mistake for Kansas City now and foreseeable future.

As a citizen of the fastest growing part of Kansas City, we in the Northland feel that this is not the right option but have not been heard by the majority of the committee members thus far.

Considering a vertical map (8.6.3) seems to be a much better option and would prefer that this committee takes a harder look at such a plan.

Thanks

Chris Thomas
