Dear Public Testimony Public Testimony,

I'm writing to ask you to oppose Ordinance 250382. I am both a transit user and a bike share user, and it would be a disservice to take money away from bike share to fund transit. This would be robbing Peter to pay Paul, except we aren't benefiting Paul at all. This would hurt our city's most vulnerable. I would encourage the council to recognize the importance of multi-modal transit.

Regards,
Johanna Kelley
