Dear Members of the TIO Committee:

My name is Johanna Kelley and I'm a resident of the 5th District. I am writing to ask you to please vote in favor of Ordinance 220318.

I want to see KCMO move forward with installing more miles of protected bike lanes because it has made riding so much safer in the city. I have enjoyed many rides on Gillham because it is the only place besides the Trolley Track Trail where I feel I don't have to worry about an inattentive driver.

I am most interested in the proposed improvements on portions of Hickman Mills Drive. I also understand there are plans to eventually build protected infrastructure on Meyer as well. This could be a great way to help calm traffic on a street which feels very dangerous at the moment.

In conclusion, please vote in FAVOR of Ordinance 220318.

Thank you,

Johanna Kelley, LMSW
