To Whom it May Concern.

On behalf of the Downtown Community Improvement District, we would like to voice our support for Ordinance Number 240313. This is a much needed parking solution and a plaza for our convention visitors and Downtown residents. As a Commissioner on the Parking and Transportation Commission, I can attest that this parking is NEEDED. We need it to stay competitive and grow our economy.

Please pass and advance Ordinance 240313.

Thank you.
