Subject:	Mask Mandate Extension
Date:	Tuesday, September 21, 2021 12:53:02 PM

This email expressing my opinion and feelings regarding the continuation or extension of wearing masks in public is short.

* I do not support extending our current mandate of wearing masks.

Any politician who voted for or us in support of extending the mask mandate will never receive my vote again.

Let's start working back toward a normal society.

Thank you and sincerely,

Darrell Williams
