Dear Public Testimony Public Testimony,

As a constituent of Kansas City, I'm writing to ask you to oppose Ordinance 250382. I do not want to see the decline of public services for our beautiful city. I would like to see all that live here have access to services that enhance their lives and provide necessary transportation for their day to day. I ask that you do all in your power to save our transportation services.

Regards,
Julienne Leonard
