Dear Public Testimony Public Testimony,

Hello Mayor Lucas, I'm reaching out about Ordinance 250382. As a resident of Kansas City, I am upset that you would consider a temporary stop-gap measure that will further undermine KCMO's overall transportation system and the safety of people who walk, drive, bike, and use the bus. This will also prevent us from providing the needed transportation for the World Cup next year. Please oppose and stop this ordinance.

I really appreciate your consideration on this important matter.

Regards,
Ellen Reynolds
