KCMO Public Testimony,

My name is Chase Wolfe and I live in South KC, district 5. I am imploring you to pass Ordinance #251053 and to fully fund the bus system in Kansas City. Kansas Citians rely on reliable bus service. Please keep your promise and fully fund bus service in Kansas City.

I have been disabled my whole life, and while the symptoms sometimes improve, I am always reliant on having access to a safe and functional bus system. I can't always safely drive, but I can ride the bus. Without this funding, my ability to get to work is at stake. I would lose my job if my bus route was cut. We deserve a bus system that works for everyone, please fund this service so we can continue to live and work in this city.

Thank you for your consideration,
Chase Wolfe
