Dear City Council City Council,

I am asking you to oppose Ordinance 230092. The Truman Road protected bike lanes deserve to be preserved and completed.

Bike lanes provide safe spaces for people who can't afford vehicles to commute to work while also providing essential recreational opportunities. But more importantly, reducing the number of lanes on Truman Rd will slow traffic and create safer driving conditions.

Please preserve and continue to complete the safe streets designed for Truman Rd.

Regards,
Ann Plautz
