Dear Public Testimony Public Testimony,

Funding bus service is of critical importance. But it absolutely can't come at the expense of making our streets safer (Vision Zero, protected bike lanes, street safety enhancements, etc.).

I'm writing to ask you to oppose Ordinance 250382. Please find another source of the funds to fill the KCATA gap. Losing a year of funding to make our streets safer is a poor choice. While progress towards safer streets has been made, much is left to do. Please don't take away this critical funding.

Regards,
Andrew Ganahl
