Dear City Council City Council,

I'm all for more bike lanes in KC not less. I haven't ridden the Truman Rd bike lane yet, but I can't help but to think this lane helps economically disadvantaged folks have a safe place to ride. I am asking you to oppose Ordinance 230092.

Also, the Gillham track is great but I find that cars make it too dangerous. I narrowly avoid getting hit every time I use it, so I travel side streets instead.

Regards,
