Subject:	Mask Mandate Extension
Date:	Tuesday, September 21, 2021 11:07:51 AM

Good morning,
As a longtime service industry professional in KCMO, I am writing in favor of extending the mask mandate.
It adds just a little extra security and protection to people who work with the public and also reminds us all that we are still in the midst of a deadly pandemic. It is not yet time to return to "normal."
Sincerely,
Jessica Devon McClanahan
