KCMO Public Testimony,

My name is Taia Sarazov and I work on Avila University's campus which is in District 6 . I am imploring you to pass Ordinance #251053 and to fully fund the bus system in Kansas City. Kansas Citians rely on reliable bus service. Please keep your promise and fully fund bus service in Kansas City.

Avila University is a school tucked into the suburbs of south KC. Because of our location, many students take the bus to attend classes on our campus. If buses fail to be funded, many of our students will not be able to attend classes at all. Additionally, buses are indispensable for both students who are experiencing car trouble, and students who are here internationally or from out of state. Buses help students explore the city and participate in the local economy.

Thank you for your consideration,
Taia Sarazov
