Subject: Please Oppose Ordinance #230092

Dear City Council City Council,

I am asking you to oppose Ordinance 230092. The Truman Road protected bike lanes deserve to be preserved and completed.

A city that has declared a climate emergency should be doing everything in its power to balance transportation between pedestrians, bikes, and public transit.

Roads that can only be safely used to operate and store cars have no place in a climate-friendly city.
