From: Bates, Gary
To: Clerk
Subject: References for Ordinance Number 200463-Greenwave Technology
Date: Wednesday, July 1, 2020 2:13:21 PM

Marilyn, Gary Bates with Fern Expo. Want to indicate my support to retain Greenwave as the exclusive provider of electrical and internet services for the KCCC. In my 25 years in the convention industry, producing shows around the country, I have found Greenwave to be second to none in Customer service, pricing, responsiveness, equipment and personnel. Without hesitation I would welcome the continuation of Greenwave as an outstanding representative of the Convention Center.

Best Regards,

Gary Bates
