Subject: Please Oppose Ordinance #230092

Dear City Council City Council,

I am asking you to oppose Ordinance 230092. This ordinance to tear up bike lanes that have already been paid for and installed would be a waste of money and ignoring a huge portion of KC Citizens. Why would anyone rely on the council for future KC projects if completed projects will be uprooted because a few business owners refuse to make their own accommodations. Many of us in KC use these bike lanes & this would remove the safest way for us to get through this area on bike.
