KCMO Public Testimony,

My name is Aidan and I live in Jackson County. I am imploring you to pass Ordinance #251053 and to fully fund the bus system in Kansas City. Kansas Citians rely on reliable bus service. Please keep your promise and fully fund bus service in Kansas City.

Many people I know personally, and sometimes myself, rely heavily on the public transportation to and from downtown for both jobs and their normal day-to-day lives. Restricting public transportation like this will be a gigantic step back for our city and drastically effects the lives of those without cars in and around Kansas City.

Thank you for your consideration,
Aidan Nusbaum
