Subject:	Support for ordinance 200421
Date:	Monday, June 8, 2020 8:30:37 PM

Hello, I'm a resident of downtown KCMO, and am writing to express my support for ordinance 200421. I encourage you to support this ordinance, as well.

Adequate public transportation is a critical component of equitable cities, and Kansas City has a long way to go in providing transportation that serves all residents of the city. Maintaining the funding allotted to this effort is the bare minimum we should be doing.

Thank you for your time,
Claire
