Dear Public Testimony Public Testimony,

I'm writing to ask you to oppose Ordinance 250382. We need to continue to make the city a safer place for everyone. The stoplight at 51st and Troost Ave has already made our neighborhood safer. We need more investments in the safety of pedestrians. There is a continued need to fund various forms of transportation in KCMO, and cutting investments in Vision Zero and Bike infrastructure will hinder any further progress to help keep the city safe.

Regards,
Alexander Gilbertson
