Dear City Council City Council,

I am asking you to oppose Ordinance 230092. Don't let the aggressive and threatening tactics of the anti-bike lane people bully you into removing these bike lanes. I've been to the public hearings, and these people are incredibly disrespectful and dangerous to anyone who opposes them. They think that the public road belongs to their private businesses. They don't. The Truman Road protected bike lanes deserve to be preserved and completed.

Regards,
