Dear Public Testimony Public Testimony,

I'm writing to ask you to oppose Ordinance 250382. Our transportation system deserves to be funded to the fullest extent and to cut one version of sustainable transportation for the other is not right. There are many other parts of the budget that can be readjusted. Please, recognize the need to fund the way we move. Mobility is at the heart of all we do - it should be treated as such. Thank you for your time and consideration.

Regards,
Drew Arends
