Discussion (including relationship to other Council actions)

The Ryan White funding is to ensure all residents living with HIV/AIDS within the 11 county Kansas City Transitional Grant Area (KC-TGA) have access to medical care and support services. Service area consist of Cass, Clay, Clinton, Jackson, Platte, Lafayette, and Ray counties in MO and Johnson, Leavenworth, Miami, and Wyandotte counties in KS.

The KC-TGA Ryan White Continuum of Care provided HIV/AIDS services for approximately 2800 clients during the period from March 2021 to February 2022 (FY21). Services will be contracted out to sub-recipients to provide the community with outpatient/ambulatory medical care, oral health services, Medical Case Management, Early Intervention Services, Referral for Healthcare Support, Mental Health/Substance Abuse treatment, Health Education, Housing services, and other professional services. The comprehensive system of care is monitored for the quality, programmatic and fiscal integrity by the Kansas City Missouri Health Department, HIV Services Program.

Ryan White funding is appropriated annually by Congress. The awards for Part A are split into formula and supplemental funds. Formula funds are awarded based on the number of new cases of HIV/AIDS in the funded service area. Supplemental funds are awarded based on demonstrated need and quality of local plans in the annual application. The KC-TGA has received Part A Ryan White funding for over 25 years.

Award includes Minority AIDS Initiative (MAI) funding ($287,771) used to address racial and ethnic disparities within the region. In the KC-TGA MAI funds support Primary Medical Care, Medical Case Management, Health Education Risk Reduction, and Hospital Liaisons for young MSM of Color (<24yo), AA Males and Females (age13-44), and Transgender People of Color (all ages).
