KCMO Public Testimony,

My name is Ashli Sincere and I live in Council District 4 . I am imploring you to pass Ordinance #251053 and to fully fund the bus system in Kansas City. Kansas Citians rely on reliable bus service. Please keep your promise and fully fund bus service in Kansas City.

I work at the FedEx Ground hub off 210 Hwy and I know several coworkers that rely on the 210 front street bus line to make it to and from work. Many of them work the night shifts and don't have a car, so having a bus at 6:00AM and 9:00PM is the only way they can make it to work. Please pass this ordinance so that the bus lines that the workers of Kansas City rely on continue to exist.

Thank you for your consideration,
Ashli Sincere
