KCMO Public Testimony,

My name is Paige Eichkorn and I live in Spring Hill. I am imploring you to pass Ordinance #251053 and to fully fund the bus system in Kansas City. Kansas Citians rely on reliable bus service. Please keep your promise and fully fund bus service in Kansas City.

If the bus system loses money, traffic and pollution will become worse than they already are. I have to give rides to many people who can't afford cars and would rather take the bus independently. Please don't take people's dignity away. Workers are important and deserve better.

Thank you for your consideration,
Paige Eichkorn
