KCMO Public Testimony,

My name is Stephani Nevarez and I live in the Waldo neighborhood. I am imploring you to pass Ordinance #251053 and to fully fund the bus system in Kansas City. Kansas Citians rely on reliable bus service. Please keep your promise and fully fund bus service in Kansas City.

We recently moved to Waldo to have closer access to public transportation. We rely on it to take us to different parts of the city. And we are also looking forward take public transit when the World Cup comes to KC. We don't want to wait long times for transit especially in unpredictable weather. Please fully fund bus service.

Thank you for your consideration,
Stephani Nevarez
