RE: Neighborhood Planning & Development Committee 220806

Good morning,

I am a mother, wife, daughter, sister, and educator. I am also a proud fourth-generation Westside resident. My great-grandparents moved here in the 1930s. My parents were married in the church in our neighborhood. The Westside neighborhood means so much to me and my family. My mother is on a fixed income and plans like the Westside Property Tax Relief Plan would be a blessing for people like her and so many others in our neighborhood.

I am in full support of the proposed ordinance 220806.

Thank you for your time and consideration.
