Subject: Vote YES - Ordinance 230613 and Resolution 230618

Dear Members of the City Council,

Please vote in support of Ordinance 230613 and Resolution 230618.

Desperately need a safe connection between Trolley trail and Gillham. Would like to see a road diet on Brookside Boulevard, and implementation of the previously studied plan to improve safety at Wornall and Meyer. In the absence of police visibility, strongly urge adoption of video surveillance and enforcement of traffic regulations which largely go unheeded.

Regards,
