KCMO Public Testimony,

My name is Carolyn and I live in [Brookside. I am imploring you to pass Ordinance #251053 and to fully fund the bus system in Kansas City. Kansas Citians rely on reliable bus service. Please keep your promise and fully fund bus service in Kansas City.

We Kansas Citians see who you are prioritizing. We see you pouring money into tourism while draining it from public goods and services. We see you failing to serve us, and if this continues, you won't be our elected officials for long. The bus system is not only crucial infrastructure, it is one of the backbones of our economy. FUND IT. If you don't, trust, you'll have the full weight of Kansas City organizers and our combined people power fighting to replace you with elected officials who will.
