KCMO Public Testimony,

My name is Dani Parr and I live in Westport. I am imploring you to pass Ordinance #251053 and to fully fund the bus system in Kansas City. Kansas Citians rely on a dependable bus service. Please keep your promise and fully fund bus service in Kansas City.

I and many of my friends and coworkers rely on the buses to get to work every single day. If the bus funding is cut we could lose our jobs and I am terrified to think of the consequences of that for me and so many of my friends and neighbors.

Thank you for your consideration,
Dani Parr
