KCMO Public Testimony,

My name is Megan Murphy and I live in Council District 5. I am imploring you to pass Ordinance #251053 and to fully fund the bus system in Kansas City. Kansas Citians rely on reliable bus service. Please keep your promise and fully fund bus service in Kansas City.

I use the buses to lower my emissions and reduce traffic on our streets. When I take the bus I see how much our community needs this service. Yes to get to their jobs and school, but also for community. I've met so many people I never would have before. Public services like the buses are empathy builders, and empathy is a violent reducer.

Thank you for your consideration,
Megan Murphy
