Dear Public Testimony Public Testimony,

I oppose Ordinance 250382. This is an inadequate way to fund public transit. Funding for transit should not come at the expense of other mobility options and safer streets.
I feel for the drivers of IRIS and the users, but the 350 daily riders at the cost of 500,000/month is a steep ask. I fully support funding our buses and other means of transit, but this is not the way to do it.

Please do not take away bike share funding and vision zero funding for this.

Regards,
Hayden Woods
