Dear Public Testimony Public Testimony,

I'm writing to ask you to oppose Ordinance 250382. I'm ashamed as a Kansas Citian to see Mayor Lucas and members of this council continue to spend their time creating false choices between transit solutions when you could be pursuing solutions that result in neither lost jobs nor more traffic deaths. We want to see real solutions from our council, not proposals that try to pit community leaders against one another.

Regards,
Lucas Sander
