Dear City Council City Council,

I am asking you to oppose Ordinance 230092. The Truman Road protected bike lanes deserve to be preserved and completed. I live in the Scarritt Renaissance neighborhood and drive Truman Road every day to work at Children's Mercy Hospital. In the spring now that the bike lanes are completed, I plan to bike everyday. Removing the bike lanes will not only affect my safety as a cyclist, but drivers safety as well. The issue that needs to be addressed are the cars that park in the lane of traffic. This causes so many near accidents every morning and evening.

Please feel free to contact me with any additional questions.

Regards,
Emily Salata
