KCMO Public Testimony,

My name is Jay Loki and I live east of Westport. I am imploring you to pass Ordinance #251053 and to fully fund the bus system in Kansas City.
I ride regularly, and I see Kansas City citizens who depend on the bus services for their children, their careers, and their education. Many forward thinking cities having well maintained and prioritized bus services, these cities care about the citizens who use these services. The trolley is a step in the right direction, but means nothing if KC eliminates or reduces our bare bus services.
Please keep your promise and fully fund bus service in Kansas City.

Thank you for your consideration,
Jay L
