Dear Public Testimony Public Testimony,

I'm writing to ask you to oppose Ordinance 250382.

Bike share is very important to me, as I don't own a car. I am very concerned about these proposed cuts to the bike share program, when it is a huge help in getting around our city. These reductions would have a very real impact on my life and my ability to get places I need to go.

Regards,
Peter Carnesciali
