KCMO Public Testimony,

My name is Fray and I live in Westport. I am imploring you to pass Ordinance #251053 and to fully fund the bus system in Kansas City. Kansas Citians, like me, rely on reliable bus service. Please keep your promise and fully fund bus service in Kansas City.

When I moved back to Kansas City in 2020, I came without a car. Since then I have been relying fully on public transportation to get to my doctor's appointments, to get groceries, volunteer around the city, and so much more. As someone with chronic pain and without a car, walking for miles to get to my destination is not logical. When I can rely on the bus system, it not only helps me practically but also gives me immense relief that I will be able to get home safely regardless of how I'm feeling.

Thank you for your consideration,
Fray
