Discussion

The Leak Stopper Program consists of the Non-Profit coordinating with KC Water to promote water conservation and fix home water leaks in Kansas City's low-income, urban-core neighborhoods. The Non-Profit is to provide the necessary management and administration services for this program.

The City executed the Leak Stoppers Program Cooperative Agreement on April 3, 2020 for \$183,000.00. A no-cost Amendment No. 1 was executed on April 14, 2021 to extend the term of the Agreement and move remaining funding from the Toilet Replacement component to the Water Conservation Kit and Complex Leak Repair components.

The City executed Renewal No. 1 to the Leak Stoppers Program Cooperative Agreement on June 15, 2021 for \$183,000.00. The City will be executing a no-cost Amendment No. 1 to Renewal No. 1 in order to extend the term for an additional 30 days so that the Agreement does not expire.

This proposed ordinance authorizes a \$183,000.00 Renewal No. 2 to the Leak Stoppers Program Cooperative Agreement. An ordinance is required for City Council to authorize this Renewal No. 2 as the accumulative total of all the Agreements will exceed the \$400,000.00, City Council threshold for Cooperative Agreements.

Contract Summary

Original Contract:	\$183,000.00
Renewal No. 1:	183,000.00
Proposed Renewal No. 2:	183,000.00
Total	\$549,000.00
