WHEREAS, 18th & Vine Developers, LLC (“Developer”) has proposed to construct the Jazz District III, a mix-use development, which includes 48 residential units to be located in Wendell Phillips neighborhood along South 18th Street and Vine Street (the “Project Site”); and

WHEREAS, the Developer’s proposal includes a new mixed-used building that will eliminate blight, protect an important local landmark, enliven the corridor with additional commercial space, and provide high-quality affordable housing for families with incomes of 60% of AMI; and

WHEREAS, Developers proposal will include one-bedroom, two-bedroom, and high-quality commercial space; and

WHEREAS, the Developer’s proposal contemplates a financing package that includes Central City Economic Development Sales Tax Funds; and

WHEREAS, the project serves a predominantly public municipal purpose because, without limitation, completion of the project (i) enhances the tax base of the Project Site; (ii) retains and generates jobs; (iii) promotes economic development in the area of the City in which the Project Site is located, and promotes consideration of areas of the City that the City Council has determined to be blighted as a location for business operations; (iv) results in generation of tax revenues to the City from the conduct of business and other activities in the City that would not otherwise occur; (v) serves as a catalyst for additional investment in and further redevelopment and rehabilitation of the area of the City in which the Project Site is located; and (vi) furthers the City's policy of encouraging economic stability and growth; and

WHEREAS, the City desires to encourage the Developer to carry out the project for the purpose of realizing these predominantly public purposes by entering into an agreement to contribute certain revenues in an amount needed to cause the project to be undertaken and attract the necessary private investment; and

WHEREAS, the contributions contemplated by the Funding Agreement are limited to those which have been determined to be needed for the purpose of ensuring that the project proceeds, and but for their contribution, the project would not proceed, to the detriment of the public interest; NOW, THEREFORE,
