Having to work to pay my ever increasing taxes precludes me coming to the hearing for Resolution 240412. Why would Kansas City Mayor Lucas want to turn our beautiful KC into Denver, NYC, San Fransisco -and Chicago. Over-run by illegals, some of whom are gang members, agents of hostile countries and people that want to take advantage of our welfare system.

I could not be more disappointed in Mayor Lucas.

Kansas City Councilman Nathan Willett has sponsored an resolution that just affirms Kansas City's compliance with the sanctuary city state statute. I ask the City Council to support this resolution and Mayor Lucas to come to his senses and recant his invitation to **illegals**.
