Subject: Resolution 230385
Date: Wednesday, May 10, 2023 12:06:36 AM

I've been saddened and ashamed that the majority of Missouri state legislators want to virtually eradicate trans people like me. My dismay turned into anxiety and activism when the state's attorney general started threatening to take away my gender affirming medication. I can't say I'm a proud Missourian, but I'll be a very proud Kansas Citian if Resolution 230385 is passed.

Thank you for listening!

Brian Turner (he/she/they)
