Prior Legislation

Code of Ordinances: Section 2-931: Neighborhood Tourist Development Committee

Service Level Impacts

Awarding this grant money will allow local organizations to host events in Kansas City Neighborhoods, which will not only help support local businesses but also increase resident satisfaction and impart a sense of community. Combined, all awarded events are expected to attract over 1 million tourists, which contributes to the overall economic well-being of the City.

Other Impacts

1. What will be the potential health impacts to any affected groups?
This legislation will increase recreation opportunities to our residents, which will promote connectivity and community within neighborhoods. Some of the events are held to increase funding to service-based organizations that offer free or reduced services to residents (including homeless shelters, community gardens, insurance, resource centers, etc).
2. How have those groups been engaged and involved in the development of this ordinance?
The funding opportunity was open to the public, and training was provided using neighborhood and community feedback and questions. The funding awards were selected by a committee made up of a variety of residents from all districts and communities.
3. How does this legislation contribute to a sustainable Kansas City?
This project is funded through a tourism tax and gives out grant awards to events, which then in turn promote tourism and spending in our neighborhoods. The funding is self-sustaining when used appropriately.
4. Does this legislation create or preserve new housing units?
