Discussion

This legislation seeks to promote a workplace free of discrimination, harassment, and violence by executing an amendment to Article XIX of the 2021-2024 Collective Bargaining Agreement: Section 6. Disciplinary Proceedings Involving the EEO Policy and Zero Tolerance Policy Regarding Threats or Acts of Violence.

- A. Predetermination hearings held as a result of disciplinary recommendations arising from violations of the EEO Policy or Zero Tolerance Policy Regarding Threats or Acts of Violence may be held before the City's predetermination hearing officer or such officer's designee. Discipline arising from such hearing shall be subject to the grievance procedure as outlined in this Agreement.
- B. The EEO office will advise any employee covered by this Agreement, in writing, of their right to have Union representation present, prior to commencing any interview or fact-finding process. In the event any member requests Union representation after being notified of their right to Union representation, or at any point during any investigatory interview or proceeding, the proceeding will be paused and such member will be given adequate time to obtain representation. The Union will be notified by the EEO office that a member has requested Union representation, and such notice will include all relevant information necessary to provide fair representation to the member. In the event a member declines Union representation, the EEO office and member will execute the Refusal of Union Representation form, and a copy of said will be forwarded to the Union.
- C. All EEO proceedings, or fact-finding interviews, with or without Union representation present, shall not commence until a Garrity Advisement of Rights approved by the Union has been read aloud and executed by the member being interviewed and the EEO officer present. A copy of said will be provided to the Union.
- D. Any member called before the EEO as a witness or complainant in any EEO investigation or proceeding who refuses Union representation shall have the right to request legal counsel provided by the City at no charge to the member.
- E. Any member called before the EEO as a respondent in any EEO investigation or proceeding who refuses Union representation shall have the right to obtain outside legal counsel of their choosing, at their own expense.
- F. All Fire Department employees who, while on duty, observe any readily identifiable violation of the EEO policy or Zero Tolerance Policy Regarding Threats or Acts of Violence shall report such, within 48 hours or during their next regularly scheduled shift, in accordance
