KC City Council & Mayor

I am deeply troubled by the purposed resolution to bring un-documented Immigrants to KC.

As a city we should look at our own citizens to fill jobs and use resources to give them a chance to better themselves and their family.

The Mayor claimed it would only be 50 people then said it would be closer to 50 than 50,000 Immigrants. Unacceptable!

We are not a sanctuary city and if you go through with this it could jeopardize state funds and services to Kansas City for our own Kansas City Tax Paying Citizens.
