75 homeless and near homeless persons will be assisted with rent assistance and provided budgeting support to stabilize their living situation. 80% of clients assisted who are unemployed, will obtain employment through our employment services program. 10% will return to prison at recidivism check.

Support the continued expansion of comprehensive homeless prevention/stabilizing housing services, all provided free-of-charge, through the RS Reveal Social and Mental Health Services Program.

The purpose of this program is to empower homeless mothers and their children to gain self-sufficiency. The proposed program will expand evidence-based treatment to reach more homeless, highly traumatized mothers and their children.

The purpose of the Homeless Youth Campus (HYC) is to provide basic needs, emergency, transitional, and residential housing services, life skills education, trauma-informed care focused, case management and advocacy services in a safe, structured, nurturing environment for youth and young adults (birth-21) who have experienced various trauma due to abuse, neglect, violence, homelessness and/or lack positive adult relationships necessary for healthy growth and development.

Assist over 100 households in attaining sustainable homeownership, including control over finances, ability to absorb a financial shock, and being on track to meet additional financial goals.

Work with a minimum of 100 households to obtain or maintain housing and remove barriers to stabilize their needs by addressing credit issues to help build access and guide them to becoming stable as a homeowner, renters, or just finding adequate housing as they go through the program.

Installation of a comprehensive security system to secure the campus for the families who will reside in the 32-unit supportive housing campus (all low-income households)

Development will provide 45 new units of affordable housing and comprehensive supportive services in Kansas City. A direct response to the need for a connection between housing and mental health services, fifteen of the 45 housing units at Bodhi will be set-aside as permanent supportive housing for persons experiencing homelessness and mental health disorders.

A new construction community that will host 57 units of integrated supportive housing (Troost Corridor). Serving a set-aside of 11 units, dedicated to families who are homeless and part of the Continuum of Care Coordinated Entry List, the remaining 46 units will be dedicated to families who are at or below 60% of AMI
Program helps low-income seniors, veterans, and persons with disabilities live safely in their own homes and maintain their independence.

An affordable new construction development located at 4423 Olive Street. The development will consist of 101 garden walk-up apartments with 85 one-bedroom, 8 two-bedroom, and 8 three-bedroom units. T

The redevelopment and substantial renovation of Mayfair Apartments will preserve 59 affordable housing units currently 100% assisted by a HUD Project Based Section 8 Contract. Units are restricted to those making no more than 60% of AMI.

A new construction of new single-family homes already under control by UNI in the Wendell Phillips Neighborhood. UNI has a special focus on the Wendell Phillips Neighborhood as part of our effort to build healthy mixed-income communities that provide better opportunities and life outcomes for all residents.

Multi-Family Reserve Fund Single Family	\$	-	\$ 628,314.00	\$ 560,074.00			A Reserve Fund for Replacements exists for most projects with HUD-insured, formerly coinsured, and HUD-held mortgages. HUD multifamily loans, including those funded with HUD 223 (f) loans, require a minimum of \$250/unit per year in replacement reserves. In addition, HUD requires an initial deposit at closing. This can be funded by mortgage proceeds. The exact amount required will be determined by a project capital needs assessment (PCNA). The Reserve Fund is generally used to help defray the costs of replacing a project's capital items. Title 24 of the Code of Federal Regulations provides, at Section 207.19(f)(3)(i), "In all projects, except those involving rehabilitation where the mortgage does not exceed \$200,000, a fund for replacements shall be established and maintained with the mortgagee.
