ORDINANCE NO. 220514

Amending Chapter 10, Code of Ordinances, by repealing Sections 10-62, Required hearings and review of director's action, and section 10-212, Location, and enacting in lieu thereof a new section of like number and subject matter to make necessary revisions to update a discrepancy within the ordinance, and, to make changes to the hearing process to align it with other like sections of the ordinance.

WHEREAS, the change to section 10-62(a) supports what is written in sections 10-212(b)(6)&(7) which states that a proposed license shall *only* be presumed that is likely to interfere with or be detrimental to the rights or interests of the neighboring community where 50% or more of the eligible neighbors who filed a written response with the director opposed the granting of a license or permit; and

WHEREAS, prior to January 14, 2022, when the City Council passed Ordinance No. 210961 which made many changes and updates to Chapter 10, the former process of asking for a hearing largely restricted an eligible consentor to seek one only if the director did not follow the ordinance as written; and

WHEREAS, the ordinance changes adopted in January now allow the manager to determine whether a liquor license or permit can be issued which allows for an eligible neighbor who voted on a proposed license or permit to ask for a hearing to challenge the manager's decision for any reason; and

WHEREAS, the Liquor Control Board of Review consists of eight taxpaying residents of the city, appointed by the mayor, who typically have other jobs and are accustomed to two or fewer cases coming before them annually and the changes that were made to Chapter 10 in January could dramatically increase the number of hearings before the Board; and

WHEREAS, in Section 10-214 it states that it shall be presumed that a proposed license is likely to interfere with or be detrimental to the rights or interests of the neighboring community if 50% or more of the eligible neighbors who filed a written response with the director opposed the granting of a license at the premises, and based on this, these proposed changes would only allow eligible neighbors to ask for a hearing if the director issues a license in a case where 50% or more of the eligible neighbors who filed a written response with the director opposed the granting of a license at the premises; and

WHEREAS, the language needs to be clear that any appeal to the Liquor Control Board of Review is based on the director issuing a liquor license and not based on whether or not the

director approved the application as any appeal of the application could slow down the process substantially leaving the applicant and/or property owner in limbo of getting a liquor license; NOW, THEREFORE,

BE IT ORDAINED BY THE COUNCIL OF KANSAS CITY:

Section 1. That Chapter 10, Code of Ordinances of Kansas City, Missouri, is hereby amended by repealing Sections 10-62, Required hearings and review of director's action, and section 10-212, Location, and replacing them with new sections of like number and subject matter to read as follows:

- (4) The decision of the board shall include findings of facts and conclusions of law, wherein the board may dismiss the complaint, or suspend or revoke a license or permit previously issued, place permanent or temporary conditions on the license, permit or licensee, or affirm or reverse the director's issuance or denial of an application for an original license, or renewal or transfer of an existing license or permit or remand the matter to the director for further administrative review or action. The board's decision shall be served upon all the parties in person or by registered or certified mail to the party's last known address. If the board is not able to serve the decision notice upon a party in person or if any notice sent by mail is returned by the U.S. Postal service, then the board shall cause the notice to be posted at the principal entrance of the business or facility, and the posting shall constitute valid service. No suspension, revocation, or denial shall become effective until 10 days after the decision has been issued by the board. The board may stay enforcement of its decision for a period of time not to exceed 30 days to allow for the filing of an appeal of the decision.
