

## Interdepartmental Communication

**DATE:** April 5, 2024

**TO:** Chairperson Lucas and Members of the Transportation, Infrastructure and Operations Committee

**FROM:** Michael Shaw, Director of Public Works

**SUBJECT:** Traffic Regulations Ordinance

Attached is a listing of TRAFFIC REGULATIONS which the Public Works Department initiated nearly 90 days ago. These regulations have undergone a period of test and evaluation and the Department is now preparing an Ordinance Request to make these regulations permanent. This list includes:

REGULATION	ORIGINATION DATE
Nos. 66057 through 66070	September 18, 2023
Nos. 66071 through 66076	October 16, 2023
Nos. 66077 through 66086	October 31, 2023
Nos. 66087 through 66105	December 5, 2023
Nos. 66106 through 66127	December 19, 2023

These regulations consist of various removals and installations of traffic control devices and signs. A description of the reasons these changes are recommended accompanies each entry on the listing.

In accordance with the Committee request, we are providing you advance information concerning the Ordinance we propose to introduce. Within the next few days this Ordinance Request will be filed with the City Clerk and appear on the Council Docket.

If you wish additional information or have questions or comments about any of the REGULATIONS which we recommend to become permanent, please contact my staff.

Approved

Michael Shaw  
Director of Public Works
