## Docket Memo

Ordinance/Resolution #: 240283

Submitted Department/Preparer: General Services

Revised 11/01/23

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in [Administrative Regulation \(AR\) 4-1](#).

### Executive Summary

Authorizing the Manager of Procurements Services to execute a one-year indefinite delivery/indefinite quantity construction contract (No. EV3040) that may exceed \$1,000,000.00 with Gunter Construction, the company is to provide various repairs including but not limited to sidewalks, curbs, and installation of traffic calming devices; authorizing the Manager of Procurement Services to exercise the City's five one-year renewal options, amend and extend the contracts; and recognizing this ordinance to have an accelerated effective date.

### Discussion

Project Justification: In 2023 alone we had 61 fatalities and 305 serious injury crashes on our City streets. This does not include highways. This contract will provide sidewalks, curbs, and installation of traffic calming devices.

1. This legislation is supported by the general fund.  Yes  No
2. This fund has a structural imbalance.  Yes  No
3. Account string has been verified/confirmed.  Yes  No

### Additional Discussion (if needed)

As this is an indefinite delivery/indefinite quantity contract, various account strings may be utilized as they are applicable to the type of project being funded. The Public Works Department will utilize these existing appropriations to fund projects as services are rendered. The Street Maintenance Fund does not have a structural imbalance.

According to Second Quarter Estimates, fund balance is increasing \$3.0 million from \$13.0 million to \$16.0 million. The Capital Improvements Fund does have a structural imbalance according to Second Quarter Estimates, fund balance is declining \$10.6 million from \$145.1 million to \$134.5 million.
