**DATE:** December 5, 2023

**TO:** Chairperson O'Neill and Members of the Transportation, Infrastructure and Operations Committee

**FROM:** Michael Shaw, Director of Public Works

**SUBJECT:** Traffic Regulations Ordinance

Attached is a listing of TRAFFIC REGULATIONS which the Public Works Department initiated nearly 90 days ago. These regulations have undergone a period of test and evaluation and the Department is now preparing an Ordinance Request to make these regulations permanent. This list includes:

REGULATION	ORIGINATION DATE
Nos. 65524 through 65531	January 3, 2023
Nos. 65532 through 65855	February 1, 2023
Nos. 65856 through 65880	February 17, 2023
Nos. 65881 through 65888	March 8, 2023
Nos. 65889 through 66017	March 31, 2023
Nos. 66018 through 66029	April 24, 2023
Nos. 66030 through 66039	June 14, 2023
Nos. 66040 through 66044	July 17, 2023
Nos. 66045 through 66056	August 14, 2023

These regulations consist of various removals and installations of traffic control devices and signs. A description of the reasons these changes are recommended accompanies each entry on the listing.

In accordance with the Committee request, we are providing you advance information concerning the Ordinance we propose to introduce. Within the next few days this Ordinance Request will be filed with the City Clerk and appear on the Council Docket.

If you wish additional information or have questions or comments about any of the REGULATIONS which we recommend to become permanent, please contact my staff.

Approved
