(Continued on reverse side)

#### **Details**

This ordinance will estimate revenue and appropriate the difference of \$145,253.42. It will also request the City Council to approve a maximum expenditure of \$4,490,000.00 (Contract Amount: \$3,219,511.42 + Contingency: \$266,775.58 + Previous Expenditure: \$1,003,713.00). The Previous Expenditure of the maximum contract amount was appropriated under Ordinance 200268.

#### **Solicitation**

The Blue River South Area 4 and 5 Inflow and Infiltration (I/I) Reduction Project - Phase 2 construction contract was advertised in accordance with the City's requirements. Public bids were opened on March 10, 2020 with four bidders responding.

## Grant/Loan Funding N/A

#### **Human Relations Approval**

The goals for the construction contract were established by the Fairness in Construction Board at 9% MBE and 6% WBE. Construction Subcontracting information was submitted to the Human Relations Department for review and determination on April 14, 2021, and was approved on May 4, 2021 with 9% MBE and 6% WBE participation. See the attached docket memo.

#### Fairness in Construction Board

There is no appeal on this contract pending before the Fairness in Construction Board.

#### **Youth Employment Program**

### 1% for Art

N/A

Bid Opening Date: 3/10/2020

Notice of Intent to Contract: TBA

Is it good for the children? Yes.

# How will this contribute to a sustainable Kansas City? This project will contribute to a sustainable Kansas City by improving the

performance, capacity, and reliability of the City's sewer system by reducing inflow and infiltration, thereby reducing the volume and frequency of separate sanitary sewer overflows.

Estimated Duration of Contract: 240 calendar days
