Executive Summary

The City will be paying \$54,500.00 to settle an auto accident claim brought by Tyler Keating.

Discussion

This legislation involved an auto accident caused by a City employee. A City employee failed to stop at a stop sign and struck a vehicle that was passing through the intersection. That vehicle swerved and struck the Keating vehicle. The airbags deployed and Keating had to be extricated from the vehicle. Missouri courts have found liability in similar cases. Privately-owned property was involved; CREO goals were not involved.
